DRAFT Comments I-70East Project AQ Conformity Analysis Plus-1-5-2017 CA ....docx

Hi Tim,

Attached are my few changes. I did it in track changes, but it only shows a red line on left margin. The few changes I made were for grammatical reasons. In your timeline, it started out past tense and then switched to present tense mid-way. I changed it all to past tense. And there were a couple of other spots where I made minor changes.

## **Ex. 5 - Deliberative Process**

I'm off tomorrow and back in on Monday. You referenced a phone call on Monday. When and where will it be?

And who is going to sign this?

Carol
